Genevieve,

Good to hear from you....I hope Santa was good to you. And to answer your question NO I am freezing! All those days in February look good to me so I will get with the group and get a day picked out. Let you know ASAP. Thanks for the opportunity to meet and look forward to seeing you.

Doug,

I hope you are keeping warm.

I wanted to connect with you on your request for a meeting included in the cover letter to your comments on the draft Title V renewal permit so it doesn't get lost in the hustle and bustle. We are currently busily working through the various comments we received but our calendars should free up some in early February. Could we plan to meet in the morning of February 10, 11, or 12?
